

AFTER A REMARKED VISIT AT MONTRÉAL COMPLÈTEMENT CIRQUE AND BY POPULAR DEMAND

**Australian sensation GRAVITY & OTHER MYTHS are back with
A SIMPLE SPACE at TOHU, April 15th to 18th**

Montréal, October 16 - After winning "Best Circus" at the 2013 Adelaide Fringe Festival, the young Australian troupe **Gravity & Other Myths** captured the hearts of critics and audiences in Montréal with their sold out show **A Simple Space** at MONTRÉAL COMPLÈTEMENT CIRQUE in 2014. Their resounding success is due to their absolutely incomparable gravity defying talent. The eight acrobats draw spectators in with their technical gifts combined with mad frenzy, and a light-hearted mix of brute strength, boldness and creative prowess. Every single detail in their production is about fun and challenge. Flung around, piled up, walking upside down, becoming a human skipping rope, or involving their audience, these Australians put on a daring show that pushes them to their acrobatic limits. It's bold and shamelessly talented, tongue-in-cheek, a tad extreme and utterly enthralling! Seriously spectacular!

« Irresistible! »The Gazette

« Une jouissive dose d'adrénaline. » Le Devoir

GRAVITY & OTHER MYTHS

Would you dare to laugh in the face of gravity? The eight acrobats of Australian company Gravity and Other Myths would! Using nothing but brute force and feline agility to accomplish feats that are as creative as they are perilous, these intrepid risk-takers keep the audience on the edge of their seats throughout this intimate show, one in which the spectators are so close to the artists they actively participate in their antics! Extreme.

Catch these acrobats with infectious energy scoff at gravity... before they fly away! **At TOHU from April 15 to 18.**
