Montréal, October x, 2016 ☼ To end 2016 in beauty and style, **TOHU** presents the world premiere of **RÉVERSIBLE**, the newest creation by **THE 7 FINGERS**. The long-awaited show gets the audience to explore the lives of eight men and women through a keyhole...On stage, walls dance and unveil what goes on behind closed doors. An intimate universe where circus and physical theatre coexist in perfect contemporaneity, where ideas, fear and desire unfold. The audience will enjoy impressive stunts, where movements and words build the spectacular framework filled with risks and discovery!

In the wake of its previous creations — *Traces, Cuisine & Confessions* and *Séquence 8* —, **THE 7 FINGERS** continues its exploration of the undefinable and universality in every human being, in a world of acrobatics with its signature high level of performance. Starting November 16, 2016, at **TOHU**, presented by Télé-Québec.

MORE ON THE 7 FINGERS ... By constantly blurring artistic boundaries, The 7 Fingers pursues the universal, the extraordinary, the undefinable, the deep and the intimacy of every human being. The collective created in 2002 can now rely on a team of 200 performers, administrators and technicians to put on some 1000 creations and artistic collaborations per year. The famous company, which has grown steadily for the past 14 years, now has seven artistic co-directors. In 2017, The 7 Fingers will open its Centre de Création et de Production in the heart of Montréal's Quartier des spectacles.

MORE ON GYPSY SNIDER... Gypsy Snider was introduced to the circus at the tender age of four with *Pickle Family Circus*, founded by her parents. Trained in Switzerland, she then joined various companies, including Cirque du Soleil, before creating The 7 Fingers. She has directed *Loft* (2002), *Traces* (2006), *Amuse* (2012) and *Intersection* (2014), as well as many other shows throughout the world. From time to time, Gypsy also directs co-creations by The 7 Fingers and various partners, such as a circus version of musical *Pippin*, for which she won a *Drama Desk Award* and an *Outer Critics Circle Award* (2013). In 2014, Gypsy was awarded the *Evolving Circus Award* at the first American Circus Awards.
